# WHAT PEOPLE ARE SAYING ABOUT MADE FOR MORE

“I walked in feeling exhausted, broken, and far from God. Between work, raising three children, and trying to hold everything together, my faith had become routine.

By the end of the retreat, something changed. I experienced a healing I never thought possible. I felt God's love meet me right where I was and gently renew my heart. I went home lighter, more peaceful, and with a new desire to pray again.”

– **Anna, young mother of three and school teacher**

“As a parish priest, I've seen many programs come and go. But Made for More was different.

I watched people who were passive at Mass become alive in their faith. There is new joy, new hunger for prayer, and real initiative among our parishioners. Some have started prayer groups on their own. It didn't just inspire individuals—it renewed our parish from the inside out.”

– **Fr. Nathaniel, parish priest**

“We invited Made for More to our regional prayer group not knowing what to expect. What we saw went far beyond anything we planned.

People who were usually quiet began sharing and stepping forward. Those who stayed on the sidelines found confidence and purpose. Our group grew closer, and the change didn't stop there—it reached our families too.

This experience awakened a missionary spirit in all of us. We no longer just attend meetings—we live our faith with intention.”

– **David, husband, father, and small group coordinator**

# THE WIDER JOURNEY

For many years, **Jesus lived a hidden life** — in silence, obedience, and trust.

Then the time came.

He stepped forward to proclaim the Kingdom, to heal, to gather disciples, and to **send them out**.

Nearly two thousand years have passed since Christ began His public mission, yet this movement — from **hidden faith to lived mission** — is not of the past. **It is the journey of every generation.**

Today, many believers carry faith quietly in their hearts.

They pray. They hope. They remain faithful.

And yet, deep within, there is a longing for more.

A faith not only believed, but **lived**.

Not only celebrated, but **shared**.

Not only personal, but **given away**.

**Made for More** is born within this moment — to help you cross the quiet line from interior faith to outward mission.

And perhaps...**that is why you are here.**

## THE RETREAT LEADER

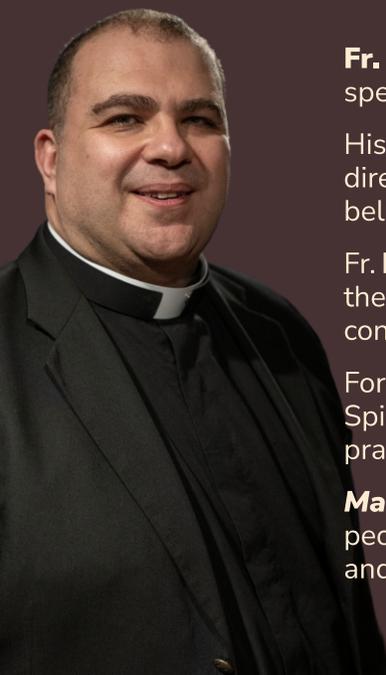

**Fr. Dominic Michael Sultana** is a Catholic priest from Malta, ordained in 2005, who has spent over two decades helping people encounter God in a real and life-giving way.

His ministry has taken him across many countries through parish life, retreats, spiritual direction, and formation programs, guided by a deep conviction that faith must move from belief to experience, and from experience to mission.

Fr. Dominic has served as a parish priest and as Vice Rector of Ta' Pinu National Shrine. He is the founder of **God Mediation Ministry** and a member of the **Global 2033** team of leaders, contributing to the Church's preparation for renewed evangelization.

Formed in Rome, he holds a **Doctorate in Sacred Theology** and advanced training in Spiritual Counseling and Christ-like Listening. He is also the author of numerous books on prayer, Christian identity, and spiritual growth.

**Made for More** was born not from theory, but from years of listening—to God and to people—especially those who love the Church yet feel the tension between Sunday faith and Monday life.
